

August 31, 2022

Dear CLC Parent/Guardian,

We wanted to alert you to a very important development that will impact the remainder of the school year. We have determined that the presence of bats in the Community Learning Center requires us to move the instruction of students to another building. There have been no student health or safety issues attributed to the bats. However, out of an abundance of caution, we have decided to move further education of students to our elementary buildings around the District. As soon as the arrangements have been finalized, we will communicate more specific information, including the location of your classroom. In order to accomplish this herculean task, school instruction will be canceled from September 1 through September 12.

What does this mean?

- There will be no school on September 1 – 12. Classes will resume at a new location on Tuesday, September 13.
- You will be notified of your child's new classroom location along with changes to transportation if applicable on or before Friday, September 9.
- The CLC's Kids Korner program will be closed on September 1 & 2. It will be reopened with normal operations at Sumner Elementary on September 6. Kids Korner staff will share further communication with families/caregivers.

We are committed to the safety and well-being of our students and staff and regret any inconvenience this may cause in your life. We will continue to provide you with the most current information and updates. Please do not hesitate to contact me with questions or concerns at joey.page@austin.k12.mn.us or 507-460-1600.

Sincerely,

Dr. Joey Page, Superintendent
